

INDUSTRY SOLUTIONS

Specifically designed to meet your market challenges

HIGH-TECH AND HOME EQUIPMENT

EFFICIENT LOGISTICS SOLUTIONS TO MANAGE YOUR PRODUCT LIFE CYCLE

Sensitive products, short life cycles or significant seasonality: the characteristics of your business sector require specific logistics solutions to overcome these challenges.

Being an expert in the High-Tech & Home Equipment industry, GEFCO offers you global support and optimised solutions by integrating inbound logistics services, warehouse supply and network distribution.

The GEFCO logo consists of the word "GEFCO" in a bold, yellow, sans-serif font, enclosed within a yellow square border. The logo is positioned in the bottom right corner of the page.

OUR SOLUTIONS

INBOUND LOGISTICS

Optimising production sites supply

- Component supply: optimisation, consolidation, security of supplier flows
- Component storage: order management, stock replenishment, sub-assembly
- Line-side delivery to the plant: sequenced flows, collection of empty packaging

DISTRIBUTION TO THE WAREHOUSE

Managing flows between the factory and distribution platforms

- Management of urgent or standard deliveries
- Stored in secure logistics warehouses including dedicated or multi-client and customs bonded
- Order preparation: packaging, labeling, kitting

NETWORK DISTRIBUTION

Delivering products to points of sale

- Delivery scheduling: to your points of sale in city centres and shopping centres, on a set day or by appointment, urgent deliveries
- Return flows: collection of empty packaging, unsold products and returns
- Management of promotional materials: POS displays, international trade shows with temporary exports
- Secure transport

Engineering and transport optimisation ■ Customs and tax representation ■ Full traceability ■ KPI's and performance management

WHY GEFCO?

FINANCIAL AND SUPPLY CHAIN EFFICIENCY

- Optimisation of storage areas
