

INDUSTRY SOLUTIONS

Specifically designed to meet your market challenges

INDUSTRIAL MANUFACTURERS

END-TO-END SUPPLY CHAIN
SOLUTIONS IN THE HANDS
OF EXPERTS

As an industrial manufacturer, you rely on your logistics provider to offer competitive door-to-door solutions that integrate the specific characteristics of your products in compliance with national and international regulations. With 65 years of experience as an industry partner, GEFCO provides you with logistics solutions that meet your distribution requirements for both standard and out of gauge.

GEFCO

Partners, unlimited

OUR SOLUTIONS

INBOUND LOGISTICS

Flexibility and reliability of supplies

- Reusable packaging
- Multimodal transport, cross-docking, consolidation and milk run
- Storage, packaging, post manufacturing, "kitting", and scheduled deliveries

OUTBOUND LOGISTICS

Dedicated end-to-end support

- Transport to distribution platforms
- Warehousing and on-site logistics services
- Deliveries from facilities to your customers' sites and point of sales

INDUSTRIAL PROJECTS

Specific solutions for out of gauge materials

- Feasibility study: regulations, customs constraints, environmental impact
- Technical and economic solutions in line with your schedule and other operational constraints
- Tailored solutions

Bespoke solutions design ■ Dedicated experts ■ Full traceability ■ KPI's and performance management ■ Customs and tax representation
